We have an established tradition of high profile status for PE and Sport at Malmesbury gaining 'Outstanding' for a subject inspection in 2011. Our pupil premium only covers part of what we spend on PE as a whole. The school achieved the 'Sainbury's Gold Award' in July 2016.

The school was given an award for sporting achievement by the School Games in June 2016. This was for increasing competitive sporting opportunities at school through the School Games. The School Games is supported by a range of partners including the Department for Culture, Media and Sport, Sport England, Youth Sport Trust, Department of Health and British Paralympic Association.

### **Rationale:**

#### **Aims:**

- For children to enjoy taking part in a variety of sporting activities including traditional and non-traditional events e.g. football, BMX biking, fencing
- For children to develop skills and attitudes which are transferable and can be drawn upon in their future life and current school work:
  - A sense of personal challenge
  - Determination
  - Perseverance
  - Co-operation and collaboration
  - Fair play
  - Respect for self and others
  - Tolerance
  - Valuing every contribution
  - Learning to win AND lose
- To make links with other areas of the curriculum e.g. Maths, IT, Literacy, Science, PSHCE
- To celebrate success at whatever level the children are participating
- To be inclusive so that all children have access to fun sporting activities which are appropriate for their needs

- To identify children with sporting talents and potential and make links with other agencies and clubs to aid with their future development

Our school has established partnership which work together to develop PE and Sports across schools:

- School Games
- Local cluster groups
- Arsenal Community Development programme
- Fit for Sport
- Peter Hucker Sports

The partnerships have organised competitions for a variety of sports and we have a wide range of after school clubs to complement and develop sport. The Fishmongers Guild supports the funding for our 'Healthy Lifestyles' Club.

The school is part of the 'Be the Best you can be' scheme as part of the Olympic Legacy.

Measuring impact:
